CHOK CHOK | Nutrient Powered Hydration

CHOK CHOK

Intensely Hydrate Scalp and Hair

The Key to Hydrated Hair, *Lipids*

'Lipids' the adhesive that keeps moisture and nutrients locked in your hair.

Lipids tightly grasp the moisture and nutrients in your hair, preventing them from escaping and ensuring the health of your hair.

With proper shampooing, you can achieve effective lipid care for your hair. **Formulated with a super multi-oil complex** (derived from 7 natural oils), it securely holds onto the proteins and moisture in your hair, preventing them from being depleted.

CHOK CHOK

Filled with the power of Nature multi nutrition moisturizing care

CHOK CHOK provides powerful hydration, moisturization, and nourishment sourced from nature. It helps maintain the health of the scalp as well as the hair and body, leaving them deeply moisturized.

Nature's Gift

Pure essential oil 'Lipids' is a golden gift from nature. It encapsulates the vitality of nature, aiding in the maintenance of healthy and beautiful hair.

Energy from Nature

With the Argan, Coconut, and Multi-Oil Complex, it quickly restores deep nourishing care to the hair, resulting in bouncy and resilient strands.

Maintaining Balance

By using pure, naturally-derived ingredients, it helps maintain a balanced pH level for both the scalp and hair, protecting them from external damage.

CHOK CHOK

Nutrient-Hydration Cure Solution

Natural Energy Multi Nutrient&Hydration Ingredients: Coconut & Argan Oil

Enriched with abundant vitamins A, E, it provides exceptional moisturization giving hair a lustrous and glossy shine, while helping to achieve smooth and silky strands.

Shea Butter

- It helps supply deep hydration to the hair, maintaining a moisturized and soft texture.
- It also provides protection against external aggressors and aids in strengthening the skin barrier.

Multi 5-oil complex : Sunflower Seed, Olive, Castor Oil, Annatto Seed Oil, Soybean Oil)

The Multi 5 Oil Complex which performs a role similar to lipids, replenishes moisture and forms a powerful barrier to provide a smooth and moisturized finish to the hair surface, imparting a soft and glossy effect.

Key Ingredient

SALONHANDS

The Specialty of CHOK CHOK

Long-lasting and Moisturizing, SALONHANDS'S **Signature Scent**

Silk Repair

#fruity floral

Will remind you of a beautiful flower garden.
A refreshing burst of floral fragrance.

The freshness of dew-drenched roses and
peaches that fell during the early morning drizzle,
The delightful sweetness
and tanginess of a crisp apple.

Rebalancing

#fresh citrus

The refreshing zest of orange rises up
with a delightful sweetness
that adds an enchanting touch,

The lingering hint of musk emerges
like a subtle soap fragrance,
spreading briskly and gracefully.

All In One

#white musk

The combination of raw woody notes
reminiscent of falling autumn leaves
and the subtle scent of
non-overpowering vanilla,

A fragrance that brings a sense of calmness
and a desire to unwind at the end of the day.

The Specialty of CHOK CHOK
